ABOUT THE FSG

You have the right to ask us about our charges, the type of advice we will provide you, and what you can do if you have a complaint about our services.

The matters covered by the FSG include, who we are, how we can be contacted, what services we are authorised to provide to you, how we (and any other relevant parties) are remunerated, details of any potential conflicts of interest, and details of our internal and external dispute resolution procedures, along with how you can access them.

It is intended that this FSG should assist you in determining whether to use any of the services described in this document.

When we provide you with initial advice regarding an issue, or *further* advice where your circumstances, objectives or needs, or the basis of the advice we are providing you is significantly different to earlier advice we provided you, you may be entitled to receive a Statement of Advice. The Statement of Advice will contain the advice, the basis on the advice is given and information about fees, commissions and associations which may have influenced the provision of the advice.

If we provide you with further advice, where your circumstances, objectives or needs or the basis of the advice we are providing you is not significantly different to when we provided you with earlier advice, and we do not provide the advice in writing at the time, you may request a copy of a record of that advice. A copy of the record of advice would be available at any time up to 7 years from the date our representative gave the advice to you.

You can request the record of the advice by contacting the representative or us in writing or by telephone or by email.

In the event we make a recommendation to acquire a particular financial product (other than securities or financial products that are listed on a financial market), we may also provide you with a Product Disclosure Statement containing information about the particular product, which should help you to make an informed decision in relation to the acquisition of that product.

BEFORE YOU RECEIVE OUR ADVICE

Before we provide any official advice to you, we would like to make sure that you are comfortable with the following details.

While we always seek to meet our legal obligations of section 961B of Corporations Act 2001, we do not fall within the definition of independent, unbiased or impartial under Section 923A.

This is because we give our clients the option of allowing insurance companies to pay us a commission for services we provide rather than invoice our clients. We remain committed to continue to give our clients this important choice.

We have created ethical investment products under a wholly owned entity Ethical Advisers Funds Management. These were created to suit the needs and ethics of our clients. In most circumstances we rebate any Investment management fees we earn for our clients, however there may be times when it suits clients to be charged these fees In lieu of Invoiced fees.
